

ST MARY MAGDALENE CHURCH

LOCATION: Broadbottom, Cheshire

PROJECT: Church Alterations

PROJECT LENGTH: 5 Weeks

INFORMATION: St Mary Magdalene Church occupies a prominent position on the hilltop in the village of Broadbottom.

Restoration Projects were contracted to reorder the layout of the church creating a visitors' centre for community work, youth centre and concerts.

Working alongside the church we programmed the works around the church's many events bringing the project in on time and budget.

Our services included :

- The programming of works around busy Church events
- Reordering and repositioning of the church pews
- Fire Protection
- Mechanical & Electrical alteration
- Polishing all restoration works to match the existing finish
- Restoration to existing tiled walkway
- Protection to church organ and temporary screens, removed on completion
